

RIESLING

GRAND CRU MAMBOURG 2010

The Michel Fonné vineyards account for a total of 15 hectares and are planted with all of the seven Alsatian wine grape varieties. In 1989 Michel returned in Alsace, after an apprenticeship in California, to assume management of the Barth René vineyards and winery from his retiring uncle, René Barth. More than 80% of the production are exported all over the world.

VINEYARD

Covering 61.82 ha, almost 1,3 km long, the south-facing vineyards of the Mambourg slope dominate Sigolsheim. One of the foothills which penetrates the furthest into the plain of Alsace, it enjoys optimum sunshine.

The lime-magnesium soil is developed on the calcareous and marl conglomerates covering the hills during the tertiary period. Yields are always low, which favours quality.

WINE

Mambourg wines are very characteristics, well-balanced and age well. They are elegant with great finesse, a powerful bouquet and a very long finish.

This wine is ideal with fish (grilled or cooked in sauce)

TASTING

It should be stored on its side, at an ambient temperature.
Ageing : 10 years
